

Thank you for your business! Your purchase means the world to us.

Assembly Instructions:

- Remove the top of the rack (a small screwdriver helps).
- Take out pieces.
- (Two Sided Racks) Attach base by inserting tabs on the bottom of the rack into the base.
- Assemble the shelf by connecting the grooves in the end of the shelf base to the grooves on the shelf ends.
- Using the tabs on the rear of the now assembled shelf insert it into the holes on the main body of the rack.
- Drop plexiglass pieces into the small grooves in the front of each shelf.
- Reattach the top triangular piece.
- (Optional) Slide the sign down into the three holes on the top.
- Load it up with stuff and put it to use!

Any questions or issues please contact kmrwoodworks.custom@gmail.com. You can also email us with any feedback you may have. We would like any suggestions to make a better product for you.
