SAFETY DISCLAIMER

At KMR Displays, your safety is our top priority. While assembling your new retail display, please take the following precautions to ensure a safe and injury-free experience:

1: **Use Proper Tools:** Only use the recommended tools to avoid accidents. A rubber hammer is optional but may help with secure assembly.

2: **Protect Yourself:** Always wear gloves and safety goggles to prevent assembly related injuries.

3: **Follow Instructions:** Carefully adhere to the step-by-step assembly guide to ensure the display is properly secured and stable.

4: **Work Safely:** Assemble the display on a flat, stable surface, and avoid placing heavy objects on the display until fully assembled.
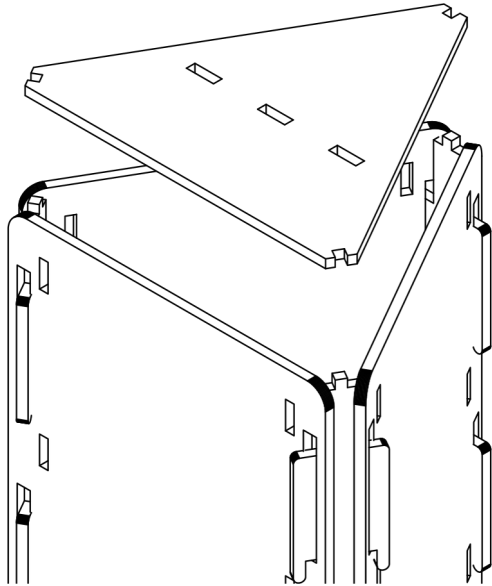

KMR Displays is not responsible for injuries, damages, or instability resulting from improper assembly or misuse of the product. If you have any concerns or questions, please reach out to our team for assistance.
